1. eco-dim dimmers
2. Silhouette Low Cost Solution for Multi-Unit Housing
3. 2009 Ideal Collectible - International 4400 Utility Truck
4. Industrial 4D/6V Krypton Lantern

Holiday Greetings to one and all! Last minute gift ideas coming from recent manufacturer product introductions.

New from **Lutron** - a selection of eco-dim dimmers guaranteed to save a minimum of 15% in energy usage. New from **Kidde** - the Silhouette low profile ceiling smoke detector and a wall mounted carbon monoxide detector. Good looks and low maintenance! The wall mounted CO unit has a special holiday price of \$79.55. The original Silhouette Smoke Detector is \$49.75.

Now is the time to stock up on popular connectors from **Ideal**. Purchase 5,000 assorted connectors and receive their 2009 Collector Series truck. While quantities last! **RayOVac's** 4D/6V Krypton Lantern #16VB2 is sure to keep you in the spotlight. Now priced at only \$8.90.

Vendor Announced Price Increases:

Selecta Switch	12/21/08	1-5% Range
Klein Tools	1/1/09	7-10% Range
Sick	1/1/09	6-10% Range
Fluke	2/2/09	2-8% Range

eco-dim™ dimmers

eco-dim guarantees at least 15% energy savings compared to standard switches

[More Information](#)

- Eco-dim dimmers extend bulb life over 3x as compared to standard switches
- All eco-dim models work in single-pole and multi-location (with Maestro companion dimmers) applications
- Available in Maestro®, Diva®, Skylark®, Ariadni®, and Rotary families

Each year Lutron products save as much energy in North America as 2,000 windmills produce. That's enough clean energy to produce lighting for 4.5 million households.

Silhouette *Low Cost Solution* for Multi-Unit Housing
