Warm weather is just around the corner and Springfield Electric is ready to help keep you cool. We stock 2 sizes of **Airmaster** Portable Mancoolers; a 24" direct drive unit and a 42" belt driven unit. Several models of 30" conventional pedestal circulation fans are also in stock for immediate use. Take advantage of a special purchase of deluxe temporary string lights from **Woodhead**. The 202SRL model is priced at \$49.95 & the 5000 model is now priced at only \$63.00. **Carlon** and Springfield Electric give you the details on code changes for service cable and meter connections on single family residential dwellings.
